

Financial Hardship Funding Policy

Witham Hill Gymnastics Club is a non-profit organisation. We aim to keep our fees as low as possible so that we can maximise participation in gymnastics.

We are conscious that sometimes financial challenges can arise, so we have developed a hardship fund to provide support for all those that need it. The Company will cap all the costs associated with membership. It will also signpost a prospective member to the relevant page of the company website and therefore meet HMRC's requirement that any concessionary membership offered is clearly advertised.

If you need to apply for financial support, please email Alisa Saunders, club manager at alisa@withamhillgymnastics.co.uk. Alisa will contact you and provide you with a Hardship Fund Application Form. Once this has been filled in and returned to the club, it will be put forward to our committee who will review all applications on a case-by-case basis. All applications will be treated with the strictest confidence.

Other sources of funding include the British Gymnastics Hardship Fund or Sport England Grants. Links to these can be found below.
