Coaching Success

2 of our fab coaches have recently passed all their practical assessments in order to become Women's artistic level 3 qualified coaches. Well done to Hannah Lloyd and Holly Foster & a big thank you to the gymnasts that helped them achieve it.

Club Competition...

Our in-house club competition is a favoured event for many of our members. With the tag line 'from little acorns grow great oaks' it really is an event for all; whether you've been doing gymnastics for 4 weeks or 4 years, whether you've just learnt for forward roll on the floor or somersault on the high beam. This event is scheduled to be on the 29th—30th of June, places fill up quickly.

Mobile Phones

A gentle reminder that mobile phones should not be brought into the gym cloak rooms, if for any reason they are brought onto the premises, they should be left in our security boxes located behind reception. Please ask the person behind the reception desk to do this for you should you require it.

Next open week

Another date for your diary is 25th - 30th March for our quarterly open week, this is a chance for you parents to sit and relax on our balcony with treats from the café and enjoy watching your child performing in the sport they love. There will also be other fundraising opportunities throughout the open week, so please take a look and support the club if you can.
